LIFESTYLE

A LIFESTYLE THAT REFLECTS THE BEAUTY OF THE LOCATION WHILE ALSO FOSTERING A STRONG SENSE OF COMMUNITY.

Renowned across Victoria for an abundance of recreation in addition to year-round warm weather, Yarrawonga has long been a go-to for those seeking sunshine but not wanting to move interstate.

Locals and holiday-makers alike can cast a line for the local Murray cod and golden perch while sipping on local wine and snacking on local produce, explore the many local walking tracks or kick back on the banks of

Lake Mulwala at dusk and take in a spectacular sunset over the water.

The Willows is proud to celebrate this beautiful town and the many stories we've discovered along the way, from long-term local residents, business owners and the hard-working characters who call Yarrawonga home.
